[REVISED MARCH 15, 2024]

¹ The parties may seek dates for additional events by filing a separate Stipulation and Proposed Order.

This is often appropriate for class actions, patent cases, and ERISA cases.

² This is the Court's recommended default timeline for certain events. The parties are welcome to propose different intervals as needed for their case.

³ The parties may wish to consider cutting off expert discovery prior to the deadline for *filing* an MSJ.
